

## CRPS Backpack and School Supply Drive September 6th - September 16th

The beginning of school is special for kids. They meet new teachers and friends. They eagerly select new school supplies. Unfortunately, some local families don't have the opportunity to purchase new supplies.

While shopping for your children's school supplies, please consider picking up extra items to donate to local families.

Bring your donations to CRPS until September 16th. Please have your child give donations to his or her teacher or place in the bins near the front door. Donations will be distributed to the Brighton community and Rochester City Schools.

Questions? Please contact the CRPS PTSA Community Service Co-Chairs:
