

Forbidden Broadway Cast List

Thanks everyone for a fun time at auditions! Please find the cast list below. It will list all of the characters you will be playing for Forbidden Broadway. Also, there is a "road map" to the show called a Scene Master. The Scene Master will help you determine which scenes/songs you are in. Many of you are more than one character so this will help you figure out who you are for each scene. We are so excited for you and are looking forward to a fun time this summer. Before the first rehearsal on July 5th please read through the script and listen to the music. Feel free to highlight or mark your part in the script. They are yours to keep but remember to bring them every day to rehearsal. Please keep in mind that casting is done as a team. If you have any questions or need clarification, please reach out to all three directors via email.

Enjoy the week and we will see you on Monday!
