

Guidelines for Student Drivers/Transportation: Co-Curricular Clubs and Activities

Drafted Fall 2010

Please refer to the following guidelines with regard to student drivers and transportation to BHS sponsored co-curricular events and activities. Please adhere to these guidelines while preparing for club activities.

Adult Drivers:

Faculty and staff should only provide transportation to students with the presence of another BCSD faculty or staff member in the vehicle and after having obtained written permission by parents and guardians. (see *Student Driver/Transportation Permission Form*)

Carpools, or the use of parent/guardian/non-student/non-faculty drivers, should be arranged in advance and written permission by parents and guardians must be on record prior to traveling. (see *Student Driver/Transportation Permission Form*)

Parents/Guardians wishing to take their children home following an event/activity may do so. Students traveling with families other than their own must provide written notification prior to an event/activity.

Student Drivers:

BHS students are permitted to drive to and from co-curricular events and activities under the following conditions:

- BCSD is not providing school or club funded transportation (ex. Busses)
- The event/activity is a day activity not involving overnight stays.
- *Student Driver/Transportation Permission Form* has been completed and on record with advisors (see attached).
- Students transport only themselves, unless otherwise noted on the *Student Driver/Transportation Permission Form* (see attached).

NOTE: Students and parents/guardians need to complete the Student Driver/Transportation Permission Form only once per school year. This will cover all activities specific to your club. Students and parents/guardians will need to complete a separate form for each club a student belongs.
