Student planner:

Students will be given a school assignment planner. Please do not buy your own. Students will be expected to use this assignment planner for each class. This planner was developed specifically for TCMS to work effectively for all academic subjects. Teachers will expect students to bring their planner to class every day. Parents and students should check the

planner regularly for daily assignments as well as long-term projects. The planner also includes the Twelve Corners Middle School Code of Conduct and more general information about our middle school.
