**Betsy Balling, Assistant Principal**  
**Michael M. Maloy, Ed.D., Assistant Principal**

Attention 6th Grade parents!

Save the date! We hope that your summer has been filled with fun, relaxation, and finding time to get away. We are so excited to welcome our students back and begin a new year.

We would like to invite you to our 6th grade orientation to discuss what you and your child can expect from Twelve Corners Middle School in your child's first year of middle school. You should have also received a post card with an invitation to the Orientation.

Our 6<sup>th</sup> grade orientation will take place on September 1<sup>st</sup> beginning at 9:00 am. All students will check in at the tables located under the awning on the Monroe Avenue entrance. Students will be sorted by last names and placed into smaller groups.

Students will be led by our TCMStrong student ambassadors who will answer any questions as they arise.

There will be three rotations that your child will go through to gain a comprehensive overview of the year to come. The three rotations will consist of meeting with school counselors, technology and device pick up, and a meeting with building administrators. Each assigned group will follow a schedule that will guide them through the morning.

At 9:00 am all parents will have an orientation in the auditorium with building administrators. We will review important facts and details regarding Twelve Corners Middle School.

Important details regarding the morning.

1. Masks must be worn at all times while in the building.
2. Please bring an empty backpack for your child to safely store the device they receive for the school year.
3. Bring a bottle of water and or a snack if desired.
4. You will be asked to fill out the [Acceptable Use Policy](#) prior to being issued a device. Please be sure to access your child's student ID number located in [SchoolTool](#) in order to complete this portion of the document. If you have any issues logging in to SchoolTool please contact our main office at 242 - 5100.
5. Please be sure to return any devices issued to you from FRES. A new device will not be issued unless all other devices are returned.

I will be sharing more information about our reopening plans as a District as information becomes available. As of now, we are planning for in-person presentations. I will update you as we get closer to the dates regarding any social distance guidelines or masking requirements.

We are looking forward to meeting your child and welcoming them to TCMS. The next three years are going to be filled with fun, learning, and growth.

Please reach out with any questions. Feel free to contact us at 242 - 5100.

Have a great rest of your summer!

Mr. Nuñez
