Dear TCMS Families,

We are very excited that the start of the school year is right around the corner. We are prepared for everyone to return and have an outstanding start to the school year.

On September 1st, we are hosting an orientation for all students who are new to TCMS and or are incoming students who were fully remote last year and had not previously attended TCMS. The orientation will take place from 1:00 – 2:30 pm.

The program will be tailored to each group:

New students to TCMS will meet with a member of the counseling department and receive an overview of the school, schedules, receive locker numbers and combinations, and provided a tour of the building by our TCMStrong student leaders.

Students who were fully remote during the 2020-2021 school year, who had not previously attended TCMS, will meet, at the same time (different location) with a member of the counseling department, and be provided an overview of the school, schedules, receive lockers numbers and combinations, and also provided a tour of the building by our TCMStrong student leaders.

ALL PARENTS ARE WELCOME TO STAY FOR THE ORIENTATION.

A simple reminder that masks must be worn at all times while in the building.

We are looking forward to seeing you all and welcoming you to TCMS.

Sincerely,

Mr. Nuñez
