BHS Student Schedules will be available on the Parent/Student Portal on Wednesday, August 21st! Schedules reflect the courses you chose last spring and any changes that have been made to date. Course sections and staffing have been finalized. Changes to schedules will only be granted in the following circumstances when:

- a level change is necessary, and/or
- a class necessary to graduate is missing.

Counselors have worked to include as many elective course requests in your schedule as possible. If you are missing an elective course that you requested, please see your counselor within the first week of school. **Please note: we cannot accommodate any change of teacher requests.**

ATHLETES

If you are considering playing a sport for a Division I or II college, please pay careful attention to the courses you have chosen and if they meet the NCAA eligibility requirements. The following English, Math and Social Studies courses **DO NOT** meet NCAA requirements:

Leadership Seminar, Art of Communication, Studies in Film Genre,
Essentials of Algebra, and Principles of Economics

The Counseling Office is open Monday through Friday from 8:00 a.m. until 3:00 p.m. If you have any questions or concerns, please call the Counseling Office and ask to speak to your counselor (name appears on the top of your schedule). If you have any questions, please feel free to contact Jennie Viggiani, Coordinator, at 242-5000 ext. 4803.
