## Technology Interview Form

To earn Tech money you are allowed to interview one person each week of the course. Ask the person all three questions below and record their response. The person that you interview must be someone that does not work or go to this school and is older than you. Examples of people you can interview might include a grandparent, aunt, uncle, family friend, older neighbor, just about anyone. The older the person you interview the more diverse the answers. You will receive \$100 Tech Money and  $\frac{1}{2}$  point on your average for each interview you do throughout the course. Only 1 interview per week is allowed.
