Re: **Non-Resident Tuition Rates for 2018-19**

I recommend that the tuition rates for 2018-19 non-resident students be adjusted to align with the Estimated Non Resident Tuition Report (NRT) calculated by the New York State Education Department.

<u>Grade</u>	<u>2018-19 Rate</u>
½ K	\$7,984
1 – 6	\$11,014
7 – 12	\$14,052

Currently, there is one non-resident student at BHS.

Please let me know if you have any questions or require additional information.
