

WHAT IS A VISIONARY?

They look to the future – **and see infinite possibility.**

They challenge the status quo – and make the impossible possible.

They boldly imagine a better world – and lead the charge to create it.

Student Visionaries of the Year (SVOY) is a philanthropic leadership development program for exemplary high school students. Highly motivated leaders embark on a journey of professional growth, fostering professional skills such as entrepreneurship, marketing, and project management- all while working to raise as much as possible for The Leukemia & Lymphoma Society's (LLS) mission.

These tenacious young changemakers fundraise for LLS in honor of blood cancer survivors. The title Student Visionaries of the Year are awarded to the candidate teams who raise the most funds in their community.

WESTERN NEW YORK STUDENT VISIONARIES OF THE YEAR

Over the past three years, **our 41** Western New York student teams have **raised over \$700,000!**

Many of the top high schools in **Buffalo and Rochester** areas have been involved:

Canisius

Fairport

Amherst

Nardin

Williamsville

Buffalo Seminary

City Honors

Nichols

Orchard Park

St. Joe's

Buffalo Academy of the Sacred Heart

Brighton

Put your school on the map! This past year, 9 student-led teams raised over \$176,000 for the fight against cancer. Many of the top schools in the area have been involved in this program for years and we'd be honored to add your student body to our list of supporters.
