RE: October 1 through December 31, 2018 Student Activities at TCMS and BHS

Brighton High School Highlights

- BHS Key Club volunteered their time and talents to several organizations this fall. In September, the club went apple picking at Wickham Farms and as result of this activity the club donated more than 60 pounds of apples to the Brighton Food Cupboard. In November, students volunteered at the East Ave Grocery Run and in December, club members rang bells for the Salvation Army.
- In October, Crossroads yearbook, Trapezoid newspaper and Galaxy Literary Magazine each earned the gold Empire State School Press Association (ESSPA) Award for outstanding all around school yearbook, literary magazine, and newspaper. In addition, Dr. Molly Healy was named Advisor of the Year after being nominated by the Trapezoid staff.
- BHS Rennes Exchange hosted 47 students and 4 chaperones from Rennes, France from October 25 to November 3. The group visited the RMSC, University of Rochester, Niagara Falls, Nazareth College, and Rochester City Hall. At RMSC, they participated in designing an invention, electricity theatre and touring the museum. Our day at the U of R included a tour of the laser lab, and a Climate Summit Simulation. At Nazareth College, the French Department hosted a sing-along and potluck dinner for students and families. The trip was very successful. Thirty-one BHS students will be traveling to France in April, 2019.
- BHS Friends of Rachel made a large donation of women's and children's clothing and toiletries to the Open Door Mission for their Coldwater Women and Children Residential House. The high school collected 19 boxes and five bags of clothing along with seven boxes of toiletries. The club also collected 12 boxes and bags from Twelve Corners Middle School.

Twelve Corners Middle School Highlights

- TCMS Outdoor Education Program was again a tremendous success in its forty-eighth year. Over two hundred and fifty sixth graders participated in this wonderful program running from September 13th through the 21st at the Rotary Sunshine Campus in Rush, New York. The two-day experience included a variety of activities including arts and crafts, fishing, outdoor cooking and a ropes course. Students were given a unique opportunity to make connections with each another while working together in groups to accomplish common tasks and goals.
- TCMS 8th Grade Teams along with Student Council organized a day of team building activities for the entire 8th grade. The activities included a session of rock climbing at Rock Ventures and a trivia game, The Brain Show Experience.

INTEGRITY RESPECT RESPONSIBILITY KINDNESS SELF-CONTROL
