The SAT on May 2nd and SAT on June 6th ARE CANCELLED.

Check out this website for FREE online resources, free tests to take, and free test advice as they score each test for you. Here's the link to our events page: <https://chariotlearning.com/events/>.

“As the College Board responds to the impact of coronavirus, our top priorities are the health and safety of students and educators. We’re working hard to make the SAT available in school and out of school as soon as the public health situation allows.

Right now, public health officials have made clear it is not safe to gather students in one place. Many states have closed school for the rest of the academic year, and globally there are widespread school closures across 192 countries. As such, we will not be able to administer the SAT and SAT Subject Tests as planned on June 6, 2020.

Students will have opportunities to take the SAT to make up for this spring’s lost administrations. If it’s safe from a public health standpoint, we will provide weekend SAT administrations every month through the end of the calendar year, beginning in

August. This includes a new administration in September and the previously scheduled tests on August 29, October 3, November 7, and December 5.

Students will be able to register for these administrations beginning in May. We'll communicate directly with students when the exact date is available. Eligible students will be able to take the exam with a fee waiver. Students who were registered for June and those in the high school class of 2021 who do not have SAT scores will have early access to registration for the August, September, and October administrations."

ATTENTION JUNIORS – Writing your COLLEGE ESSAY!

Multiple one-week sessions offered, beginning the week of July 13th, Monday – Friday!

AM Session: 9:00 a.m. – 12:00 p.m.

PM Session: 12:30 - 3:30 p.m.

Soon, members of the Class of 2021 will begin their college search. The college application process, composing the college essay in particular, may be overwhelming. This summer enrichment class is designed to help students write the college essay, generate ideas for short answer questions and provide an overview of how to address the entire college application. Students will read and critique model essays, be provided with written feedback on work, have one to one conference time with the instructor and complete at least one full essay in five days.

Start the college application process by completing the most challenging part of the application this summer, the essay. This enrichment course has been designed for 2020-2021 seniors only. You do not have to attend BHS to register for this class!

SPECIAL HALL'S CORNER

4th Quarter and Final Course Grading Procedures

April 21, 2020

BHS Families and Students:

We are moving forward on a decision for Quarter 4 grades and final course grade calculations in this day of COVID-19 and unprecedented school closure. **It is impossible to satisfy everyone; it is imperative to create a workable solution that is fair and compassionate.** Thus, quarter four grades will be calculated in a unique fashion.

This policy was developed in conjunction with feedback from BHS coordinators, administrators, and district leadership. It also included research from county-wide discussions with other high school principals, assistant superintendents for curriculum and instruction, and superintendents. ***I believe we have also created a singular-use grading policy that meets several of the needs and concerns shared by parents, students, teachers, and administrators.***

- *Create incentives so that ALL kids remain engaged or see the rationale for getting engaged;*
- *Provide equity, as best that we can remotely, for ALL involved;*
- *4th QT grades can only HELP students;*
- *Minimize the mental/emotional stress, anxiety, and fears of students, parents, and teachers;*
- *Assist students at ALL levels.*

Remember, your family's health and well-being are your number one priority right now during this stressful time. If your child cannot complete the school work being assigned or is not able to complete it due to a variety of factors, that is OK. We will adjust and get through this. Please contact your student's counselor and teachers or reach out to me directly and I will disseminate the information to the teachers and counselor – tom_hall@bcasd.org.

Considerations used to design this singular-use grading policy:

- The reality is that we are in the midst of a global pandemic that has not been seen in two generations: it is important to remember that students, families, and faculty – even those unaffected by illness – are scared, anxious, stressed out, and mentally exhausted.
- Fourth quarter grades can only help a student's overall grade, but not bring a grade down (for full year courses).
- Students will live the **Brighton Believes trait of INTEGRITY and academic honesty** while working remotely, ensuring that their on-line work is their own work, demonstrating what they as individual students are learning.
- **A date for the end of the 4th QT will be determined once Governor Cuomo announces the schedule for the remainder of the school year.**
- **There will be NO course final examinations, whether or not we return to school before June 25th.**
- **School work begun on-line on or after April 13th may be used to support a student's final quarter four grade.**

4th QT GRADES WILL BE CALCULATED IN THE FOLLOWING WAY:

Full year course 4th QT grading scale for the 2019-2020 COVID-19 school year

- **85% in the 4th QT and above = A = 4.0 (passing)**
 - COVID-19 Conversion – An 85% to 94% end of QT 4 grade will be converted to a 95% in the SchoolTool gradebook - A
 - COVID-19 Conversion – A 95% to 100% end of QT 4 grade will remain the same/no conversion - A
- **70% to 84.4% in the 4th QT = B = 3.0 (passing)**

- COVID-19 Conversion – A 70% to 84.4% end of QT 4 grade will be converted to an 85% in the SchoolTool gradebook - B
- **60% to 69.4% in the 4th QT = C = 2.0 (passing)**
 - COVID-19 Conversion – A 60% to 69.4% end of QT 4 grade will be converted to a 75% in the SchoolTool gradebook - C
- INCOMPLETE = No Grade assigned for the 4th QT (students **did NOT complete** a sufficient amount of on-line work to demonstrate learning to receive a pass for the quarter).

Half year spring course 4th QT grading scale for the 2019-2020 COVID-19 school year

- Students will earn either a PASS (P = 60%-100%) or an INCOMPLETE (INC) rating
- **4th QT letter grades/ratings will be reflected on report cards.**

FINAL COURSE GRADES WILL BE CALCULATED IN THE FOLLOWING WAY:

Full Year Course Final Grade Calculations

- Quarters 1, 2, and 3 will be averaged together to determine the final course grade and a letter grade will be assigned accordingly.
 - If 4th QT grades as defined under the 4th QT Grading Scale for the 2019-2020 COVID-19 school year **assist/help** a student's overall average, QT 4 WILL be averaged in as 25% (Qt 1, 2, 3, & 4) of the overall course grade.
 - If 4th QT grades as defined **DO NOT assist/help** a student's overall average, only quarters 1, 2, and 3 will be used to calculate final course averages.
- Students who absolutely needed a passing grade for 4th QT and/or on their final course exam or Regents exam, **MAY** pass their course for the school year if they obtain at least a passing grade for the 4th QT (Passing = 60%-100%).
- **Students failing full year courses may have the possibility of:**
 - **Attending summer school (depending on course offerings);**
 - **Completing the learning based on a contract with the school to finish the course;**
 - **Repeating the course next school year.**
- **Final Course Letter Grades will be reflected on Report Cards and Transcripts.**

Half Year Spring Course Final Grade Calculations

- Students will earn either a P (60%-100%) or an INC (incomplete) for their spring courses.
 - QT 3 (a grade of an A/B/C/D) and QT 4 P (pass) = P (pass) for the year, award .5 credits
 - QT 3 (D) and QT 4 (INC) = INC for year, no credit.
- **Students failing half year spring courses may have the possibility of:**
 - **Attending summer school (depending on course offerings);**
 - **Completing the learning based on a contract with the school to finish the course;**
 - **Repeating the course next school year.**
- **Final course grades (P or INC) will be reflected on report cards and transcripts.**
- **For Example – full year course**
 - Students gets an overall average of 79 for the 4th QT.
 - Teacher overrides final 4th QT average and replaces it with an 85 (B).
 - Teacher determines if this increases or decreases a student's overall course average when Qt 1, 2, 3, and 4 are averaged together.

- If the 4th QT increases a student's overall course average, it is used in final course grade calculations (QT 1,2,3,4). If the 4th QT decreases a student's overall course average, the final course grade average is calculated using QT 1, 2 and 3 only.
- **Final course grade numerical averages (average of all 4 quarters) or (average of the first 3 quarters) convert to a letter grade as per the BHS/Parent Student handbook, page 3 – Marking System for Final Course Grades.**

Future Grade Level & PTSA Town Hall with T. Hall ZOOM Meetings
