Child's Name _____

The following persons (in addition to parent/guardian) have permission to deliver and/or pick up my child from preschool:

If same as the In Case of Emergency section, please write SAME

Name:	Relation to Child:
Address:	Phone:
Name:	Relation to Child:
Address:	Phone:

Please provide any individual information that may help us understand your child better (i.e. developmental concerns, fears, recent changes in the family, languages other than English spoken at home, currently receiving or being tested for CPSE special education services, food allergies, family dietary needs, etc.):

Parents and teachers meet as a large group 1 or 2 evenings each school year. Please list any educational, child development or parenting topics you are interested in learning more about this year. If your family has any known conflicts on a specific evening of the week, please list here. We try our best to meet on days of the week that at least one adult in each family is able to attend.

Child's Name _____

I give permission to the Brighton Preschool/Parent Program to act on the following:

1. *For a responsible staff person, or assisting parent, to take my child on a short walking trip away from the classroom (i.e. a walk to a paved or grassy area on the grounds of the school building other than our designated outdoor playground)*
2. *Participation of my child in photographs, which may be securely distributed to current classroom families or used for classroom communication purposes, as determined by the preschool staff. (Note: Pictures of children are only used on the Preschool Website with permission. We do not post pictures, names, or other identifying information about our students on social media accounts.)*

(Opt-Out: I do NOT want images of my child distributed as described above. Initial here: _____)

*I understand that the Brighton Preschool/Parent Program designs its preschool to encourage parent participation. **I agree to volunteer as a parent helper in the classroom at least 6 times this school year** (or designate a relative or nanny as the parent helper in my place). If my child attends preschool more than two days a week, my volunteer commitment during the school year increases to nine days. On the days I select to be the parent helper, I will assist the teachers in my child's classroom for the whole class. I understand that I cannot bring any other children with me on the days I volunteer. (Notes: This commitment is about two days each month. Any adult who comes into our classroom must provide documentation of having the COVID-19 vaccine before entering. If families are unable to volunteer in the classroom, there are opportunities for volunteering outside.)*

I understand that enrolling my child in Brighton Preschool/Parent Program is a commitment to enrollment in the program for the whole school year (September – early June). I will make my scheduled tuition payments as billed, prior to each trimester. If I have a need to withdraw my child from preschool, I will provide written notification to the preschool director at least two weeks prior to my child's anticipated last day of preschool. I understand that a refund of tuition is not available unless accompanied by written notification of my child moving out of the Brighton, NY area.

Print Name: _____

Date: _____

Preschool Families,

Our preschool follows current New York State Education Department and Monroe County Health Department guidelines created for public schools. These guidelines will be shared with families before school begins. If the guidelines change at any time during the school year, you will be notified. We look forward to providing a safe and healthy environment for our staff, students, and families.

Thank you,

The Brighton Preschool/Parent Program
