Dr. Kevin McGowan, Superintendent
Brighton Central School District
2035 Monroe Avenue
Rochester, NY 14618

August 25, 2021

Dear Dr. McGowan,

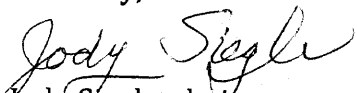

The Brighton Education Fund would like to present the following grant to the district:

\$1,479 for the purchase of LEGO base plates and blocks to install two new LEGO Makerspace walls for the kindergarten corridors at Council Rock.

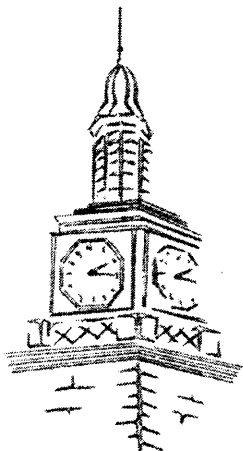

A previously funded LEGO Makerspace wall in 2017 has proved very popular. However, the renovations and subsequent classroom assignments at Council Rock resulted in the teachers who requested the original wall being moved to a different wing of the building. Their enthusiasm for the first wall led them to ask for one for the new hallway. In recognition of the benefit of this creative activity, we decided to provide a wall for each of the kindergarten classroom corridors.

We are confident that these Makerspace walls will give Council Rock's kindergarten teachers a stimulating and imaginative resource for their students.

Sincerely,

Jody Siegle, chair
Brighton Education Fund
