Dear Dr. McGowan,

The Brighton Education Fund would like to allocate the following to the school district:

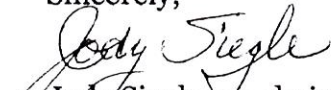

\$2,500 requested by French Road Elementary School's Behavioral Support Specialist/School Counselor Ashley Ellis and Special Education Teacher Matthew Ohm to purchase furnishings and support materials for a quiet room for use by students in the PATH program, and by other students who have social-emotional issues and would benefit by being in this quiet space.

Intended to be a peaceful setting, this space will give students an alternative location where they can work with the staff on self-soothing strategies or just take a necessary break to calm themselves.

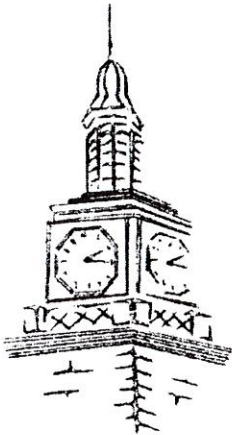

The grant will provide carpet, pleasantly soft seating like beanbag chairs and floor pillows, indirect lighting, and other details to create a soothing yet durable space for children.

The Brighton Education Fund is pleased to make these items available.

Sincerely,

Jody Siegle, co-chair
