

FRENCH ROAD ELEMENTARY SCHOOL
4th Grade Intramural Permission Slip

The French Road Physical Education Department is excited to announce the start of our Intramural Program for the 2017-2018 school year. Our Intramural Program is a continuation of our Physical Education Curriculum in an early morning program. Students will be playing modified games in a more competitive environment. All 4th Graders are welcome to join! There are no skill requirements for this program. We encourage all students to participate.

Intramurals will begin on October 17th and run through April 30th. All Intramural sessions will take place from 7:57-8:57 AM. Students will be asked to meet their Intramural Teacher in the front foyer no earlier than **7:50AM**. Students may have to take the early bus in order to get to FRES by 7:50 AM.

See the reverse side of this form for your bus assignment.

Intramurals are offered to all 4th Graders **once** per cycle. Although we meet 4th Graders twice per cycle, we can only accommodate a limited number of students in the gymnasium safely at one time. Please read the schedule carefully so you can accurately mark your calendars.
