Re: Varsity Girls Softball Trip 2022

I am recommending approval of our Varsity Girls Softball team's travel to Myrtle Beach, SC for four varsity interstate sanctioned varsity lacrosse games and one varsity interstate sanctioned scrimmage. The games are TBA at this point due to teams still registering for the event. The team will leave Saturday 4/16 and return 4/22. The team and coaches will be traveling with parent drivers. They will caravan down and back.

Jim Purtell, our Varsity Softball Coach has met all requirements for an overnight trip. Coach Purtell, Coach Gentile, and families will be traveling with our team. The Itinerary is attached.
