

Louis J. Alaimo
Assistant Superintendent for Administration

Memorandum

TO: Dr. Kevin McGowan

FROM: Lou Alaimo

DATE: July 1, 2022

SUBJECT: 2022-23 Transportation Contracts

I recommend the Board of Education approve the Summer School 2022 and School Year 2022-23 transportation contract with Monroe #1 BOCES.

In addition, I am recommending that we continue to utilize First Student as the primary contractor for AM/PM, summer, and charter services; and Transpo/RMT as an alternative transportation provider. First Student and Transpo/RMT rates are limited to the increase in CPI, or 3.2% for the 2022-23 school year.

Please note that the CPI exceeds amount assumed in the budget development process by approximately 1%. We will continue to monitor the budget-to-actual projections for transportation cost, but this difference does not warrant rebidding the contracts and testing market conditions given driver shortages and increased fuel prices.

RESOLVED: That the Board of Education of the Brighton Central School District hereby approves the contracts for student transportation services entered into with Monroe #1 BOCES and Transpo/RMT.
