Regulations of the Commissioner of Education

Section 156.5 Annual extensions of transportation contracts.

- (a) Annual extensions of contracts shall be prepared on forms prescribed by the commissioner; such extensions shall be filed with and approved by the commissioner and are subject to all laws, rules and regulations pertaining to the filing of transportation contracts.
- (b) Only contracts awarded in accordance with the competitive bidding requirements of subdivision 14 of section 305 of the Education Law may be extended. (NOTE: Section 305(14) also authorizes extensions of contracts awarded through a request for proposals.)
- (c) Annual extensions of fixed-price contracts, contracts based upon unit rates, such as per-bus, per-pupil or per-mile, and contracts based upon a combination of a fixed price and unit rate may provide for increases in such fixed prices and/or unit rates not to exceed the contractual amount paid in the preceding year by more than the increase in the regional consumer price index for the 12-month period ending on May 31st immediately preceding the commencement of the contract extension.
- (d) Each district proposing to extend a contract shall maintain for a period of six years after expiration or termination of the contract extension or six years after final payment under the contract extension satisfactory evidence of the increase in the cost of the contractor's operation during the 12-month period immediately preceding the month in which the contract terminates.
