Dear Dale and Maria,

On behalf of the Brighton Central School District, I would like to thank your family for the generous instrument donation to the BCSD music program. The 3.5 Deagan marimba with Rosewood bars, valued at \$2000, will make a beautiful addition to the percussion section at BHS. It was a very meaningful way to honor the music programs your children participate in throughout the district.

The Brighton Central School District prides itself on offering opportunities for many Brighton students who wish to participate in the Arts. This is one reason BCSD has been named a 'Best Community for Music Education' by the National Association of Music Merchants for the past ten years.

Your thoughtfulness and generosity will help to provide more opportunities for students. Thank you again for the donation.

Cordially,

  
Thomas R. Hall, Ed.D.  
Principal, Brighton High School
