Dear Ms. Kazel,

On behalf of the Brighton Central School District, I would like to thank the class of 1970 for the generous, \$100 donation to the PTSA Hardship Fund

The PTSA Hardship Fund supports students with financial needs, offering them opportunities in supplemental learning. Opportunities in co-curricular events and clubs such as SAT preparation classes, Model UN, and the Summer Arts Program help these students build essential connections outside of the classroom. Every year the number of students that can benefit from this fund grows.

Your thoughtfulness and generosity will help to provide the best possible opportunities for students. The fund would not be possible without the help from people like you. Thank you again for the donation.

With Best Wishes
