

# Twelve Corners Middle School Band Department

October 12, 2018

Dear TCMS Band Families:

We are thrilled to invite you to our annual TCMS Band Family Music Night! This optional event is for band students and their families to make music together in a fun, casual setting. Parents, siblings, grandparents, whoever, are invited to bring their instruments and read through some pieces together. TCMS band students are encouraged, but not required, to attend. For those family members who would like to attend but do not play an instrument, have no fear: we will provide seating for you (and perhaps some simple surprise instruments!).

The Family Music Night will take place on **Monday, November 5<sup>th</sup> from 7pm to 8pm in TCMS in the band room**. Students are welcome to bring as many family members as they would like, but guests must provide their own instruments. All skill levels are welcome on the following instruments:

Flute	Trumpet	Oboe	Tuba
French Horn	Clarinet	Saxophone (Alto or Tenor)	
Trombone	Baritone	Bassoon	

Percussion (players should have prior percussion experience; however, family members with piano skills may opt to play mallet instruments – please let us know if this is the case)

Given the nature of the event, **RSVPs are required** so that we can make sure we have sheet music and fingering charts (in case it has been awhile...) ready to go. Please complete and return the bottom portion by **Friday, November 2<sup>nd</sup>**. We hope to see you there!

Sarah Fischer, 6<sup>th</sup> Grade Band

Dave Meyers, 7<sup>th</sup> Grade Band

Kendra Lamb, 8<sup>th</sup> Grade Band
