What it all means for:

Instructional Technology

Brighton Blueprint
2023-24 Strategic Plan

Every Child, Every Day, Every Way

Priority Area: Mental Health and Wellness

Goal (s): BCSD will support the development of the whole child by creating learning environments that foster overall mental health and wellness- socially, emotionally and physically.

BCSD will provide an inclusive environment to address the individual needs of each child and to support the attainment of each student's goals.

Continue working with Mental Health and Building leadership to provide SEL materials and instructional technology support for SEL instruction and learning through systems such as NearPod, Castle Learning, the Calm platform, etc.	Building administrators, Inst. Tech team, Mental Health team	On going 2023-2024

Priority Area:
Academic Excellence

Goal: BCSD will provide each student coursework that is challenging to promote individual growth and critical thinking skills. Each learner will be supported to foster resiliency, maximize their potential, based on needs and interests.

We will focus on culturally responsive and sustaining education practices by celebrating and accepting differences, collaborating, and supporting a growth mindset for all to cultivate curiosity and find the joy in learning.

Members of the Instructional Tech team will continue work around district Content Area Transfer Goals including alignment to emerging curriculum and assessment and the creation of success criteria for each Transfer Goal.	Inst. Tech team	Ongoing 2023-2024
Members of the Instructional Tech team will work with district leaders and the Director of VPA & IT to assist with facilitating the rollout of Profile of a Graduate work in collaboration with Habits of Mind and the makerspaces. The team will ensure that they are educated and that the Profile of the Graduate work will be utilized.	Inst. Tech team, ASI, Building Leaders, District Leaders	Ongoing 2023-2024
Work with Assistant Superintendent of Curriculum and Instruction, Media Library Teams, Tech Mentors, Building administrators and faculty to introduce, provide professional development, and continue roll out of the NYS K-12 Standards for Computer Science and Digital Literacy.	Inst. Tech team, District Leaders, Tech mentors	Ongoing 2023-2024
Work with the BCSD Teacher Center, BOCES SmartStart grant team, NYSCATE, and local university professionals to plan for and implement Teachfest and other faculty and staff development opportunities in Instructional Technology.	Inst. Tech team, Tech mentors, Teacher Center Leadership	Ongoing 2023-2024
Foster opportunities for district teachers to learn and share best practices in Instructional technology with colleagues, both in and outside of the district.	Inst. Tech team, Tech mentors, and Teacher Center Leadership	Ongoing 2023-2024

**Priority Area:
The Student and Family Experience**

Goal: BCSD will foster an environment where each student and family are seen, heard, valued, supported, and safe to engage within our school community.

Continue to support our district's faculty in technologically supporting where students from different buildings engage with each other in meaningful ways.	Building and District Leaders, Mental Health Team Members, Inst. Tech team	Ongoing 2023-2024 School Year
Continue to provide and communicate the option for families to support their learners' technological access at home through the continued promotion of Qustodio with the Operational Technology team.	Building and District Leaders, PTSA Members, Inst. Tech team	Ongoing 2023-2024 School Year
Continue to find ways to remove barriers for students and families so that each member of our school community is aware of and has full access to the district's instructional technology platforms, supports, and resources.	Building and District Leaders, Mental Health Team, Inst. Tech team	Ongoing 2023-2024 School Year

Priority Area: Staff Support and a Collaborative Culture

Goal: BCSD will utilize community and district-based support to create a culture and environment that allows staff the opportunity to build connections, feel valued, and collaborate with each other to foster a sense of belonging and joy.

Maintain and support time for Instructional Tech and Data team members to collaborate and work in partnership with others across the district (etc. coverage for collaboration, committees, Superintendent Days', etc.)	Building and district level administration, Director of VPA & IT	23-24 school year
Foster joy by creating opportunities for all Instructional Tech and Data team faculty and staff to connect and celebrate our strengths and accomplishments.	Building and district level administration, school-based committees, Director of VPA & IT	23-24 school year
Build a sense of community to ensure Instructional Tech and Data team faculty and staff have a voice and feel valued.	Building and district level administration, MH teams, faculty and staff, Director of VPA & IT	23-24 school year
Support Instructional Tech and Data team faculty & staff through clear and consistent communication and follow through.	Building and district level administration, Director of VPA & IT	23-24 school year

Priority Area: Safety and Planning for the Future

Goal (s): BCSD will establish standards on school safety and security through continuous risk assessment analysis of all school systems. BCSD will develop details for facilities master planning considering modernization and sustainability.

Comprehensive review of applications and web site permissions K-5 student have access to.	Instructional Technology & Operational Technology Teams	2023-24 School Year
Exploration of computer "access" profiles for students in grades K-12.	Instructional Technology Teams, Building Principals	2023-24 School Year
Assess and evaluate naturally adopted norms for when students are permitted to use computers/ipads during unsupervised/unstructured times.	Instructional Technology Teams, Tech Mentors, Building Principals	2023-24 School Year
