

Technology Education

# Articles/Educational TV \$\$\$ earned

You are allowed to get credit for reading one article per week from a technical journal, magazine, newspaper, or book for technology money. The article must relate to one of the three areas of technology. You must answer the following questions to receive \$50 for each entry. You can earn up to \$50 each week of the ten week course with a maximum of \$500. You may substitute the article with a show you have seen on **Educational TV**. (Discovery Channel, History Channel, PBS etc.)
